Are you beginning to consider how you will pass your business along to your child, partner or a new business owner and experience the joy of business freedom? Do you wish to get the maximum value, pay the minimum amount of taxes, protect your family and business interest, and live the rest of your life on what's left?

If you identify with these feelings you are not alone! The **Boom'er Bust** Business Breakfast Workshop will focus on the theme: **How Do I Achieve Freedom In My Business?**

There will be 1.5 packed hours of practical business training for small business owners. Best of all each teacher knows the local business community and understands the needs and challenges we face in Upstate SC. You will learn things that you can take home and put to practice the same day!
